

# SCRATCH MIX

**A mixed, natural grain feed formulated for supplemental feeding to all poultry, including chickens, ducks, turkeys, game birds etc. It is designed to be scattered on the ground and promote “scratching around” activity in poultry. Birds enjoy scratching around yards for grains, seeds, and for natural bugs and worms, and also enjoy access to fresh pasture and household food scraps.**

**FEATURES:** The mix of all-natural whole and cracked grains and seeds, along with oilseed protein meals and trace elements in a pellet to avoid their settling out, allows poultry to selectively feed using their natural instincts to select the most attractive portions first and balance their own diet. AMBOS Scratch Mix is an ideal base diet, supplemented by the chickens’ natural foraging activities, and household food scraps, to maintain their health and vitality.

**INGREDIENTS:** Cereal grains and products (Wheat, Barley, Corn, Sorghum), Whole Sunflower Seeds, Oilseed Protein meals (Soybean meal, Canola Meal), Limestone, Shellgrit, Salt, Canola Oil, Trace Vitamins and Minerals.

NUTRIENT SPECIFICATIONS (as fed basis):	
Protein	12%
Fat	3.6%
Crude Fibre	3%
Calcium	1.2%
Phosphorus	0.3%

**SPECIAL INCLUSIONS, MEDICATIONS, WARNINGS:** Nil
